Description :

Prsentation de l'diteurThe War between the States' is the term used for the American Civil War throughout much of the South even today. Many on both sides not just the South felt that they were serving their states as much, if not more, than their central governments. Many of the states agreed; the state governments raising their own units, commissioning their officers, and supplying their men. Indeed, many of the units that fought the Civil War were supplied in large part by their own states rather than by the central government's quartermasters. Philip Katcher's fascinating text explores the uniforms of 32 states; from Alabama to Wisconsin.Prsentation de l'diteurThe War between the States' is the term used for the American Civil War throughout much of the South even today. Indeed, many of the units that fought the Civil War were supplied in large part by their own states rather than by the central government's quartermasters. Philip Katcher's fascinating text explores the uniforms of 32 states; from

Alabama to Wisconsin. Biographie de l'auteur Philip Katcher was born in Los Angeles, California, to parents involved in the film industry. He was educated at the University of Maryland and served in the US Army in Vietnam. He has also been an active participant in living history activities, especially in the 18th and 19th century periods. He has written a number of books on various periods of US military history and presently is editor/publisher of Military Images Magazine.
