But can Jessica beat her own demons in time to find out exactly what's going on behind closed doors?Biographie de l'auteurKerry Wilkinson's debut, *Locked In*, the first title in the detective Jessica Daniel series, was written as a challenge to himself and became a UK Number One Kindle bestseller within three months of release. His three initial Jessica Daniel books made him UK s top-selling author for the final quarter of 2011. When *Think of the Children* followed in 2013, he became the first formerly self-published British author to have an ebook No.1 and reach the top 20 of the UK paperback chart. Following *Playing with Fire* and *Thicker Than Water*, *Behind Closed Doors* is the seventh title in the Jessica Daniel series. Kerry has a degree in journalism, plays cricket badly and complains about the weather a lot. He was born in Somerset but now lives in Lancashire, thus explaining the climate gripes.
