Description :

Prsentation de l'diteur Love at first sight doesn't exist...right? So how could Alisa explain the instant intense attraction to a man she collided with on a lovely night in Paris at a streetside cafe? She was dying, a diagnosis that left her with perhaps three years left in her life...maybe that was why. Whatever it was, she wanted him and there was no reason not to take this beautiful man and find pleasure she has never known. This journey was a final trip to places she had always loved in this world. To experience life as much as possible while she still could. Sex with a stranger? She's never done anything like this before, and it turns out to be the memory of a lifetime. The only sorrow she felt while leaving that next morning, was that she may have found love, too late.Koen's been alive for over a thousand years. This past year of his life has been

wonderful. He couldn't imagine anything better, until he has a chance collision on a trip to Paris with blue eyes that burned into his soul, and stayed there. After the most incredible night of his life, she disappeared. He didn't know she was dying. She didn't know he was vampire and could save her life. Would

Koen find her...in time? This fifth in the series about First Blood vampires is wonderful on its own, but follows the fourth book in the series closely, so reading in sequence will bring greater connection with the story and characters. Presentation de l'diteur Love at first sight doesn't exist...right? So how could Alisa explain the instant intense attraction to a man she collided with on a lovely night in Paris at a streetside cafe?

She was dying, a diagnosis that left her with perhaps three years left in her life...maybe that was why.

Whatever it was, she wanted him and there was no reason not to take this beautiful man and find pleasure she has never known. This journey was a final trip to places she had always loved in this world. To experience life as much as possible while she still could. Sex with a stranger? She's never done anything like this before, and it turns out to be the memory of a lifetime. The only sorrow she felt while leaving that next morning, was that she may have found love, too late. Koen's been alive for over a thousand years. This past year of his life has been wonderful. He couldn't imagine anything better, until he has a chance collision on a trip to Paris with blue eyes that burned into his soul, and stayed there. After the most incredible night of his life, she disappeared. He didn't know she was dying. She didn't know he was vampire and could save her life.

Would Koen find her...in time? This fifth in the series about First Blood vampires is wonderful on its own, but follows the fourth book in the series closely, so reading in sequence will bring greater connection with the story and characters.
