Description :

Prsentation de l'diteurMagic has returned to Kurt and the magical races, once fallen into obscurity, can now freely roam the land now that the Broterhood's hold in Rane has been destroyed, but not all is well. Less than ten years after the destruction of the main Brotherhood forces the mages in their tower have forgotten that their new homeland was created to be a safe haven for all creatures of magic. As time passes the air grows tense in the non-human section of town and the talk of war is whispered among the people who have felt the full weight of the tower.Prsentation de l'diteurMagic has returned to Kurt and the magical races, once fallen into obscurity, can now freely roam the land now that the Broterhood's hold in Rane has been destroyed, but
