### Description :

Présentation de l'auteur Ever Wondered What is Judaism? And What does it mean to be a Jew? Most people, both Jewish and gentile, would instinctively say that Judaism is a religion but its not only a set of religious beliefs, it is also a rich culture. Today only, get this bestseller for just \$2.99. Regularly priced at \$4.99. Read on your PC, Mac, smart phone, tablet or Kindle device. Jewish culture is the diverse international culture of the Jews. Since the formation of the Jewish nation in biblical times the international community of Jewish people has been considered a tribe or an ethno-religious group rather than solely a religion. Judaism guides its adherents in both practice and belief, so it is more than a religion, it is also a way of life. Jewish culture in its etymological meaning retains the linkage to the land of origin, the people named for the Kingdom of Judah, study of Jewish texts, practice of community charity, and Jewish history. The term "secular Jewish culture" therefore refers to many aspects, including: Religion and World View, Literature, Media, and Cinema, Art and Architecture, Cuisine and Traditional Dress, attitudes to Gender, Marriage, and Family, Social Customs and Lifestyles, Music and Dance This short guide will teach you the basics about Jewish history and culture if you are curious to learn about them. It has been designed specifically for beginners or people who know little about the subject. After downloading this book you will learn... Chapter 1: A Brief Introduction to
