## Description :

Prsentation de l'diteurIf I could learn to play the cello well, as I thought I could, I could show by my own example that we all have greater powers than we think; that whatever we want to learn or learn to do, we probably can learn; that our lives and our possibilities are not determined and fixed by what happened to us when we were little, or by what experts say we can or cannot do.Best known for his brilliant insight into the way children learn, John Holt was also an intrepid explorer of adult learning. At the age of forty, with no particular musical background, he took up the cello. His touching and hilarious account of his passionate

second career demolished the myth that one must start an instrument (or a sport, or a language) in early childhood, and will inspire any reader who dreams of taking up a new skill. Biographie de l'auteur John Holt (1927-1985), one of this country's leading educational and social critics, was the author of ten influential books which have been translated into fourteen languages. Known both as a passionate reformer and as the gentle voice of reason (Life magazine), John Holt offers insights into the nature of learning that are more relevant today than ever before.
