Description :

Prsentation de l'diteurCome home, if you can...For fans of LEE CHILD's Jack Reacher and DENNIS LEHANE's Kenzie and Gennaro, an unputdownable series debut, from a thrilling new voice in American crime writing'A zipline ride of a thriller, plummeting through the back alleys of Seattle ... Hamilton has crafted a compelling new hero in Van Shaw.' Gregg Hurwitz, New York Times bestsellerIf my grandfather's letter had stopped at the comma, I would have tossed it in the trash... only the last three words mattered. If you can. That passed for please, in the old man's way of talking... If you canscared me a little.Meet Van

Shaw - soldier, ex-con - as he returns to his native Seattle after a decade's self-imposed exile. Answering voices from his past, he finds a whole heap of trouble, and himself the prime suspect in the brutal attack on his grandfather. Drawn back into the violent, high-stakes life he tried to leave behind, he has to try and see right from wrong amid the secrets and resentments of those he was once closest to. Think Boston crime think Dennis Lehane, think Washington DC think George Pelecanos, think LA think Michael Connelly - and now, think Seattle think Glen Erik Hamilton

Revue de presse
A debut novel from a gifted writer with a sure hand. As much fun to read as Lee Child's Jack Reacher. (J.A. Jance on PAST CRIMES) PAST CRIMES is a zipline ride of a thriller, plummeting through the back alleys of Seattle where murder and intrigue reign supreme and the undead past lurks around the next wrong turn. Buckle in and hang on! (Gregg Hurwitz, New York Times bestselling author, on PAST CRIMES) A home run off the first pitch - this guy has got what it takes. (New York Times bestselling author Lee Child on PAST CRIMES) an exciting heir to the classic detective novel. A well-written modern rendition of the old-fashioned gritty noir. (Kirkus on PAST CRIMES) If he stays true to his talent, Hamilton is an author to watch. (Booklist on PAST CRIMES) Readers will be eager to see more of this tough, clever hero. (Publishers Weekly (starred review) on PAST CRIMES) Edgy and suspenseful. (Crimespree Magazine on PAST CRIMES) Fans of action-filled mysteries should get to know Van Shaw right now and plan to be following his exploits for quite some time. (The Cedar Rapids Gazette on PAST CRIMES) Glen Erik Hamilton's impressive debut novel fuses procedural plotting, vigilantism and noir. The seedy setting and one man's hunt for justice create an emotionally stirring and morally ambiguous read. Past Crimes keeps readers on edge and second-guessing every character. (BookPage.com on PAST CRIMES) Glen Erik Hamilton is a welcome new entry in the very over-crowded crime-fiction genre. (David Rothenberg, WBAI-FM (New York City) on PAST CRIMES) With Past Crimes, debut novelist Glen Eric Hamilton comes out of the chute riding a rocket sled of thrills. This action-laced crime noir reads like a comfortable third entry in an already established franchise. (Madison County Herald on PAST CRIMES) In his outstanding debut, Hamilton has created a tough and intriguing character in Van Shaw, one that will appeal to fans of Lee Child's Jack Reacher series. (Library Journal (starred review) on PAST CRIMES) With wry humor and plenty of action, Glen Erik Hamilton's Past Crimes is an updated version of the classic hard-boiled detective novel. (Iron Mountain Daily News on PAST CRIMES) Page-turning and poignant, with not a drop of phony sentiment or overwriting. Grade: A (Cleveland Plain Dealer on PAST CRIMES) Hamilton begins lobbing hand grenades into the room about three-quarters of the way through and doesn't let up until practically the last page, piling surprises and explosions on top of each other. (Bookreporter.com on PAST CRIMES) This powerful debut novel introduces a quick-witted and resilient protagonist able to hold his own on both sides of the law. (Stop, You're Killing Me! on PAST CRIMES) Glen Erik writes taut, hard-edged thrillers that I simply can't put down. Tight prose. Intriguing characters. Here is some fantastic storytelling you don't want to miss. (Steven James, national bestselling author of Checkmate and Every Crooked Path on PAST CRIMES) Presentation de l'auteur
Come home, if you can... For fans of LEE CHILD's Jack Reacher and DENNIS LEHANE's Kenzie and Gennaro, an unputdownable series debut, from a thrilling new voice in American crime writing
