[PDF] Practical Endgame Play - beyond the basics: The definitive guide to the endgames that really matter (English Edition)

**Par Glenn Flear : Practical Endgame Play - beyond the basics: The definitive guide to the endgames that really matter (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Practical Endgame Play - beyond the basics: The definitive guide to the endgames that really matter (English Edition):

## Description :

Prsentation de l'diteurTHE MOST IMPORTANT ENDGAME BOOK EVER PUBLISHEDWelcome to a new type of endgame book. A book that includes...\* The most common endgames you will ever encounter.\*

Examinations of material balances you will reach in almost half of your games.\* Over 500 pages of grandmaster advice and analysis, assisted by the latest computer software.Forget those books which just recycle established theory. Forget those books which concentrate on fantastical studies. Grandmaster and

endgame expert Glenn Flear has created an in-depth book of all endgames which feature either two pieces for each side, or two pieces against one - an essential area of the game that has never before been comprehensively covered in one volume. Why is this so important? Because these situations arise incredibly frequently in practical play. These are the endgames that matter. If you can handle such endgames well, your results will improve. This book shows you how.
