Prsentation de l'diteurFrom Romantic Suspense, Mystery Romance and Fantasy Bestselling Author Nicola Claire comes a seductive and fast paced world of beautiful relationships, explosive environments, and a group of friends who look out for each other."I'm going to give you memories to last a lifetime, Genevieve

Cain. I promise you that."With a loser ex-boyfriend threatening her dream business, Sweet Seduction, Genevieve Cain is forced to go to a lawyer to finalise things once and for all. Gen knows she's only good for one dream in her lifetime, so when she meets senior partner, Dominic Anscombe, in the foyer of the law firm's building, she dismisses any delusional ideas her mind creates involving his very fine body. But Dominic is intrigued by Gen's run-away mouth and if there's one thing to say about Dominic Anscombe, he knows what he wants and when he finds it, he sets out to take it, claim it and possess it - completely. Kidnappings, shootings, dream-shattering moments, hot investigators and just as hot lawyers, everything comes to a head when Genevieve sacrifices something so precious for something even more so. And it wasn't the sacrifice she thought she'd make. The sweetest of sacrifices, the most worthy offering. But can she believe Dominic has fallen as hard for her as she has for him in such a short time? And can she allow herself a second dream in her life, by letting him in? Love at first sight has never been so dangerous and so very delicious at the same time. This series is complete and includes the following titles: Sweet Seduction Sacrifice Sweet Seduction Serenade Sweet Seduction Shadow Sweet Seduction Surrender Sweet Seduction Shield Sweet Seduction Sabotage Sweet Seduction Stripped Sweet Seduction Secrets Sweet Seduction Sayonara Prsentation de l'diteur From Romantic Suspense, Mystery Romance and Fantasy Bestselling Author Nicola Claire comes a seductive and fast paced world of beautiful relationships, explosive environments, and a group of friends who look out for each other. She's tried her hand at being a paramedic, bank teller and medical sales representative, (not all necessarily in that order), but her love of writing keeps calling her back. She has a passion for all things supernatural, spiced up with a good dollop of romance - as long as they include strong characters, alpha males and capable females, and worlds which although make-believe are really quite believable in the end. There's nothing better than getting caught up in a compelling, intriguing and romantic book. When she's not writing or reading, she's out on her family boat at Lake Taupo, teaching her young boys to fish, showing them the beauty that surrounds them in nature and catching some delicious trout for dinner. Kindred has been a joy to write, creating a rich world with dynamic characters and paranormal twists that shock and awe has been pure bliss for this author. And just as well, because there's a lot more story yet to tell...
