**Description :** Description du produitAs Harmony's Oversoul grows weaker, a great warrior has arisen to challenge its bans. His name is Moozh, and he has won control of an army using forbidden technology. now he is aiming his soldiers at the city of Basilica, that strong fortress above the Plain.Basilica remains in turmoil. Wetchik and his sons are not strong enough to stop a army. Can Rasa and her allies defeat him through intrigue, or will Moozh take the city and all who are in it?

Prsentation de l'diteur Feeling itself to be failing, the Oversoul realises that it needs the technology of the Lost Earth to achieve its aims. It has already caused Nafai, a teenage boy, to commit murder ... Nafai, his father and his brothers have left Basilica, but the rest of his family remain there, including his mother, the influential Lady Rasa. However, Rasa has other things on her mind, such as the 'friendly' invasion of troops under the leadership of General Vozmuzhalnoy Vozmozhno of Gorayni, who does not believe in any Gods, including the Oversoul - although he may still be its unknowing instrument. From Library Journal Following the sometimes dubious directives of the dying Oversoul--an orbiting computer that has preserved peace on the planet Harmony for millennia, Naifeh and his family prepare to voyage to the stars in search of the planet called Earth. With characteristic insights into the moral nature of the individual, Card explores the ramifications that face those persons chosen to answer a "higher call." This second volume of the "Homecoming" will appeal to the author's many fans and is a good purchase for most libraries. Copyright 1992 Reed Business Information, Inc.
